

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State/Territory: ARKANSAS

CASE MANAGEMENT

Target Group:

This service will be reimbursed when provided to children who are Medicaid recipients age 0-20 who are at risk of delinquency as evidenced by being in the care or custody of the Department of Human Services, Division of Youth Services (DYS) or under the care of a designated provider (specified by DYS) for assessment, supervision or treatment.

G. Non-Duplication of Payment (Continued):

To the extent any eligible recipients in the identified target population are receiving targeted case management services from another agency as a result of being members of other covered target groups, the provider agency will ensure that case management activities are coordinated to avoid unnecessary duplication of services and the State assures that it will not seek Federal matching for the case management services that are duplicative.

CASE MANAGEMENT

A. Target Group:

This service will be reimbursed when provided to children who are Medicaid recipients age 0-20 who are either at risk of abuse or neglect or are abused or neglected children and are in the care or custody of the Department of Human Services, Division of Children and Family Services (DCFS).

B. Areas of State in which services will be provided:

☒ Entire State.

☐ Only in the following geographic areas (authority of section 1915(g)(1) of the Act) is invoked to provide services less than Statewide.

C. Comparability of Services:

☐ Services are provided in accordance with section 1902(a)(10)(B) of the Act.

☒ Services are not comparable in amount, duration and scope. Authority of section 1915(g)(1) is invoked to provide services without regard to the requirements of section 1902(a)(10)(B) of the Act.

D. Definition of Services:

Targeted case management services are those that assist an individual in the target group in accessing needed medical, social, educational, and other services appropriate to the needs of the individual. Case management assistance includes the following activities:

1. Client Intake through identifying programs appropriate for the individual's needs, and providing assistance to the individual in accessing those programs.
2. Assessment of the recipients family/community circumstances and service needs in order to coordinate the identification, accessing and the delivery of services.
3. Case Planning with the recipient, caregiver and other parties, as appropriate to identify the care, services and resources required to meet the recipient's needs and how they might be most appropriately delivered.
